The Danville Advocate had a very vicious editorial Thursday in regard to the legislation seeking to close the saloons on Sunday, and charged that the "work of the whole legislature has been destroyed by the influence of the Beckham leaders" and then goes on to say that "judging by these events it looks like it is about time Kentucky was ridding herself of Beckhamism." Yes, we suppose so, and turn the whole state over to the lawless saloon element of Covington and Newport and others of their ilk who are the chief enemies that Beck-

ham and Beckhamism have in Kentucky. The Advocate's position on Beckham has been about the same ever since its editors sat in the gallery at Frankfort and applauded the unfortunate Lillard when he voted Boyle county's democracy for Bradley and against Beckham in 1908. Keep it up, boys.

The biggest joke of the whole session at Frankfort was the statement of Col. Ed Taylor, the big distiller, that he did not contribute any money to Stanley's campaign fund, as charged in an affidavit by Elwood Hamilton, one of the most reputable lawyers at the capital, but that he did contribute to a fund to help elect Beckham. Hamilton showed later that Taylor gave the money to help Congressman Campbell Cantrill, who is about as wet as Stanley, and with the distinct understanding with the Franklin county campaign committee that it was not given to help Beck-

A Hint to Mothers of Growing Children

A MILD LAXATIVE AT REGULAR INTERVALS WILL PREVENT CONSTIPATION.

A vital point upon which all schools of medicine seem to agree is that normal regularity of the bowels is an essential to good health. The importance of this is impressed particularly on mothers of growing children.

A very valuable remedy that should be kept in every home for use as occasion arises is Dr. Caldwell's Syrup Pepsin, a compound of simple laxative herbs that has been prescribed by Dr. W. B. Caldwell, of Monticello, Ill., for more than twenty-five years, and which can now be obtained in any well stocked drug store for fifty cents a bottle.

In a recent letter to Dr. Caldwell, Mrs. H. C. Turner, 844 Main St., Buffalo, N. Y., says, "I bought a bottle of Dr. Caldwell's Syrup Pepsin for my baby, Roland Lee Turner, and find it works just like you said it would. It is fine for the stomach and bowels."

A bottle of Dr. Caldwell's Syrup Pepsin should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

Mornings Are Happiest Hours
Get the Spirit of the Early Day Into Your Being.

Are you bright and happy in the mornings? Catarrh is the great American ailment. Its effects are far more general than usually are understood. Catarrh of the stomach and kidneys is a most frequent cause of chronic dyspepsia and Bright's disease. Catarrhal conditions in the nose and throat in many cases, leads to deafness.

Even the lungs are affected because catarrhal inflammation finds an open way to the lung substances through the bronchial tubes.

If you are not bright, cheerful and refreshed in the mornings, catarrh probably is the cause. The mental and physical condition of catarrh sufferers is pitiable but it is surprising how many people suffer from catarrh when they fully believe something else is the cause.

Catarrh can be easily detected. Some of its commonest symptoms are: dull, throbbing headaches, watery eyes, constant sniffing, dropping of mucus into the throat at night and awakening choked and half-nosed, sleeplessness, dizziness, full-head, stopped up nasal passages, dryness of the membranes, pains in the stomach, side and kidney region, faulty digestion, bad breath and coated tongue.

Tanlac was created particularly to combat catarrh. Thousands are testifying daily that Tanlac has fulfilled its mission.

Tanlac may now be had in Stanford at Penny's drug store, and at Middleburg at W. C. Bryant's where its merits are explained fully. 20-1

Tanlac may be obtained at the following nearby cities: Moreland, Abraham Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellisburg, Joseph McWilliams; Middleburg, W. C. Bryant; Crab Orchard, Lyne Bros.; Broadhead, John Robins; Junction City, Reynolds & Evans; Lancaster, R. E. McRoberts.

ATTENTION! DRUGGISTS—STORE-KEEPERS
An exclusive Tanlac agent is wanted in every town, village and cross road in this county. For particulars and advertising plans address Cooper Medicine Company, Dayton, Ohio.
